Ok – yes please let her know that the delay is not intentional but due to the difficulty of scheduling with your client in his new role!

Not a good sign . . .

Do you guys want to come to my office for a change – happy to host. 1747 Penn, 2nd floor

OK. It's also my wife's birthday..... But we'll figure that out. In some ways that time might be easier for me than this weekend. Does he want to meet here at Covington?

Meantime, Heather Hunt has kind of been all over us. She emailed and then left a voicemail yesterday afternoon asking for a call this weekend (because I had indicated I thought this weekend was the earliest we could meet with our client). She said she just needed to know when we will be coming in to meet her, so she can arrange her schedule. We've never seen her this engaged in any matter (ever). I'll let her know tomorrow we wouldn't be prepared to meet her until later next week sometime.

Best,
Rob
